## Order

Date of Order: **October 28, 2021**

Trial Court Case Nos. **3PA-20-00594/595/596/597/598CI**

On October 18, 2021, Richard Green filed motions for extension of time to file his opening brief and excerpt of record and to expand the record on appeal. Also on October 18, 2021, Mr. Green filed a supplement to his motion to expand the record on appeal.

On October 20, 2021, the State filed a non-opposition to Mr. Green's motion for extension of time, an opposition to Mr. Green's motion to expand the record on appeal, and a motion to strike Mr. Green's attachment to his motion for extension of time. On October 20, 2021, Mr. Green filed an opposition to the motion to strike, an affidavit in support of his motion for extension of time, and a motion to file a reply to the

State's opposition to the motion to expand the record on appeal along with the lodged reply. No opposition was filed to the motion to file a reply.

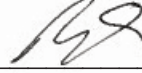

**IT IS ORDERED:**

1. Mr. Green's unopposed motion for extension of time to file the opening brief and excerpt of record is **GRANTED**, and the court is granting Mr. Green some additional time beyond what was requested in Mr. Green's motion. Mr. Green's opening brief and excerpt of record are now due on or before **November 29, 2021**.
2. The court agrees with the State that Mr. Green's attachment to his motion for extension of time isn't relevant for consideration of the motion, but the attachment was not considered when granting the extension of time; therefore, the State's motion to strike attachment to the motion for extension of time is **DENIED AS MOOT**.
3. Mr. Green's motion to file a reply to the State's opposition to the motion to expand the record on appeal is **GRANTED**.
4. Mr. Green's motion to expand the record on appeal is **DENIED**.

Entered at the direction of an individual justice.
